

Progeny in the 2022 Sale

N404 (160404) Born: 2016 Sire: CH975 Dam: Nerstane ET Ewe 1019 (x N958)

This is our most proven son of Billy so far with an impressive set of figures to go with him.

Some very well-known studs have used N404 along with some large commercial breeders with many repeat semen orders and on property sale toppers by him.

There is semen available from this sire.

Charinga 975 "Billy" (CH 975) Born: 2014 Sire: Buddy 23 Dam: 100637 (x CH119)

This sire has done a fantastic job here at Nerstane. Bought in 2015 for \$20,000, "Billy" is now at rest, with his progeny being so correct, always standing wide with great legs. They are generally very good cutters with a distinctive bold crimp that is well stamped.

T 279 (180279) Born: 2018 Sire: (x CH Dan) Dam: Thornlea ET Ewe (x USter)

Thornlea 279 was chosen at Hamilton Sheepvention in 2019 for his structure and pedigree. Nerstane purchased T279 for a sale topping price at the Glenelg Ram Sale that year. T279's father, Trump, was sold to the Charinga Stud to top the same sale years prior. There are over 20 sons in the sale this year and as you can see, their size, structure and woolcut are up there with the best.

Glendonald 8.68 (G 8.68) Born: 2018 Sire: Tara Park Red Dam: GD

This ram was the most impressive ram we have seen at Bendigo for a long time. 8.68's structure was outstanding with wool that was good all over. He looked like a real stud sire both in and out of the wool and his progeny are the same.
